

## **All In Service – Terms and Conditions**

### **What is the process?**

- 1.) Provide FBA No. Amazon SKU and copy of packing lists prior to arrival at UK port.
- 2.) We will label and palletise to FBA specification and arrange booking with Amazon.
- 3.) We will then provide delivery date and confirm Proof of Delivery once completed.

### **Benefits of this service?**

- 1.) Isca will handle everything from FOB origin port to delivered FBA.
- 2.) We will arrange the time slots with FBA.
- 3.) Removes the risk of rejections from FBA.
- 4.) Stops the risk of penalties from rejected deliveries.

### **How much does it cost?**

Call Michelle and get our quote for the all in rate from FOB origin port to delivery to FBA in England. Plus the following charges will be shown on the quote you receive.

- Customs clearance – GBP 47.50.
- Duty Deferment Fee – GBP 25.00.
- Documentation Fee – GBP 30.00.
- Grade A Pallet Wrap – GBP 12.50 per pallet (to FBA specification).
- Timed delivery surcharge – GBP 30.00.
- Labelling – GBP 0.35p per label.
- Service and attendance – GBP 17.50.
- Storage if required – GBP 3.50 per pallet per week.

### **Are there any terms and conditions?**

Delivery will normally be made within 72 hours after your shipment has been customs cleared, labelled and palletised to Amazon specifications.

Copy of POD can usually be provided within 7 days – subject to Amazon providing the document.

Delivery status available on Amazon sell account for urgent confirmation.

For FBA centres in Wales and Scotland please ask for a quote.

Further surcharges will be applicable for anything exceeding the dims of the pallet base (100 x 120 x 180cms) and a weight of 600kgs per pallet.

Split consignments may incur an additional charge.

Excluding customs clearance, duty, VAT and other extraneous costs.

Agreement can only be provided for cargo booked on our service.
